

Active All Year Round

Not just at election time

Just a sample of the Focus leaflets produced and delivered by the Liberal Democrats to every home in Bramcote, year in and year out.

On 2nd May please election your local Liberal Democrat team

Dear fellow Bramcote residents,

On 2nd May you have the chance to elect your councillors for the next four years. We would ask you to choose us. The Lib Dems are active in Bramcote all year every year, not just at election times. You receive our Focus leaflets through your door four times a year, keeping you informed of local news and events.

We are all Bramcote residents. This is our community, and we want the best for it. We have a strong record of working for local people and we want to continue to do that. The Liberal Democrats have represented Bramcote on the borough council for 24 out of the last 28 years and it was a difference of only six votes last time round that enabled the Conservatives to win all three council seats.

Thank you for your support
